

What Is Scrip?

Scrip is a term that means “substitute money”. When you purchase scrip, you’re purchasing negotiable gift certificates and prepaid cards that are used just like cash. You can use scrip to purchase everyday expenses like food, clothing, and other essentials, and with every purchase, you earn revenue for our organization.

How scrip generates revenue for you

The Great Lakes Scrip Center acts on behalf of churches, schools and other non-profit organizations to purchase large amounts of scrip from grocery stores, department stores, and other retailers. Because the scrip is purchased with cash up front, the participating retailers offer a substantial discount. Our organization buys the scrip from Great Lakes Scrip Center at a discount, and re-sells the certificates to families like yours for full face value. The discount - from two to fifteen percent or more – is our organization’s revenue.

Scrip is “shopping cart fundraising”

Scrip is a popular fundraiser because families don’t have to sell anything. Organization members produce revenue by making regular household purchases they would make anyway. Groceries, clothing, toys, gifts, even gasoline can be purchased with scrip.

How do I order?

For now, we're going to keep things simple: you fill out a paper order form, and write a check payable to HYP.

Our paper order form can be found at the HYP web site.

Eventually, there may be more convenient online methods, but for now we're going to use paper.

How do I get the cards I ordered?

Since the cards are like cash, we'll be very, very careful: deliveries will be by hand; we cannot mail cards.

You can pick up your cards at any of our major events: Night of Dance, Chili Supper, North and South Holiday concerts, and at any Booster Meeting.

You can also call or email us, and we'll do our best to meet you in person.

Will this really help HYP?

Yes. It might take a bit of getting used to, but think about it: planning on shopping online for the holidays? HYP will get 4% of what you'll spend on Amazon.com, if you use our gift cards. It's that easy. Need some little gifts for the mail carrier or sanitation workers? Arby's cards give HYP 8%. Macy's cards yield 10% for HYP. The list goes on; see our order form.
